

OsteoBiol[®] mp3 by Tecnos

Innovation to improve your regeneration

osteobiol.com

- **Pre-hydrated and ready to use**
- **Reduces operatory time and contamination risk**
- **Smooth granules prevent damage to sinus membrane**
- **Close similarity to human bone⁽¹⁾**
- **Dual composition: mineral + collagen⁽¹⁾**
- **Natural porcine or equine origin**
- **Gradually resorbable⁽²⁾**
- **Replaced by abundant new vital bone⁽²⁻⁵⁾**
- **Ideal for sinus lift^(3,4) and ridge preservation⁽⁵⁾**
- **Safe and biocompatible: used in over 30.000 surgeries**
